Career Objective

I am a Computer Science undergraduate specializing in Artificial Intelligence, with hands-on experience in web development and machine learning projects. I enjoy solving real-world problems through technology and am currently seeking an internship where I can contribute my skills in MERN stack development and AI/ML while learning from industry professionals

Education

- Computer Science Engineering (AI & ML)
- Nutan College of Engineering and Research, Pune
- Pass out Year 2027
- CGPA: 8.0/10

Technical Skills

- **Programming:** C, C++, Java, Python (applied in machine learning and data analytics tasks), HTML, CSS, JavaScript, PHP
- **Frameworks/Libraries:** React js (used to build interactive front-end projects), Pandas, NumPy
- **CS Concepts:** Data Structures and Algorithms (in C, Java), Object Oriented Programming (Java), DBMS, Machine Learning
- **Tools:** Git, VS Code, Jupyter Notebook

Soft skills

- Profound Communication
- Leadership skills
- Problem-solving
- **Languages:** English (Fluent), German (A2 Level)

Projects

- **Amazon Site - Front-end Clone:**
- Built Responsive, Frontend Clone of Amazon using HTML and CSS
- **Travel and Tourism Website:**
- Created and designed an entire travel website with interactive features and attractive design using HTML, CSS, JS, Bootstrap, React, PHP, MySQL
- **Real time Weather App:**
- Created a real-world app using weather api which shows the real time weather forecast of Geographical locations across the world with an attractive UI using HTML, CSS and JavaScript, Node js

Certifications

- AWS Machine Learning, AWS Training & Certification – June 2025
- Data Science & Machine Learning, YBI Foundation – Jan 2024
- Frontend Web Development Certificate, Udemy - Graduated 2024
- Green Skills & Artificial Intelligence Workshop, Shell India and Edunet Foundation- Nov 2024
- Introduction to ChatGPT, Data Camp – Feb 2025
- IIT Gandhinagar Amalthea - GDIOT innovations Contributor Award - Nov 2023.

Achievements & Extracurriculars

- **Sports Achievements:** Represented in Kabaddi, Cricket & Wrestling at intercollegiate and district level.
- **Leadership Positions:** Led teams in college tech fests and workshops.
- **Hackathons&Workshops:** Participated in AI/ML workshop by Shell & Edunet Foundation, Attended IIT Gandhinagar's Amalthea 2023
